

How you can find us

The public "Remigius Bücherei" is located on the first floor of the shopping center "Vennehof". You can reach us by using the outside staircase behind the "Kornmarkt" or from the second parking deck of the car park "Vennehof".

There are elevators next to the staircase to the "Fabi" and in the shopping centre.

It's high time to visit us if...

Who we are

The public library "Remigius Bücherei" is an educational and cultural institution run by the Catholic community St. Remigius Borken. According to a contract with the authorities, our library provides the city of Borken with literature and media for general and vocational purposes.

Cooperation:

Together with the House of Generations run by the DRK Borken we have founded the "network reading". In this network many citizens are actively engaged in voluntary work as reading mentors. The schools and day-care-centers in Borken are further cooperation partners.
